Men of Vision Inc. & Dr. Carter G. Woodson K-8 School

In the wake of the economy and getting back to our normal day today life, it's important that we step up to help those in need of food. Many of our families are still struggling to provide everyday meals. With extended school breaks and business closures, this need is increasing to levels we've never seen before. Continue to help us bring food to neighbors in need during this time of uncertainty.
