Summer Learning Program Overview

Rationale

The Summer Learning Program is designed to provide continuity of learning, strengthen core content understanding, and minimize the impact of COVID-19 related disruption. Research shows the following trends: achievement typically slows or declines over the summer months, declines tend to be steeper for math than for reading, and the extent of loss increases in the upper grades. In response, the Hillsborough Summer Learning Program (SLP) target key areas of focus: elementary literacy and STEM, middle school grade enhancement, high school credit recovery, exceptional student education services, and enrichment opportunities.

Expected Outcomes

Students who participate in SLP will be better prepared for the next school year. This comprehensive PK-12 program will provide for continuity of learning, strengthen core content understanding, and minimize the recent instructional interruptions related to the pandemic.

Eligible Students

SLP is for students who are currently enrolled in Hillsborough County Public Schools. Additional eligibility criteria, specific to each program, is included under the program descriptions.

Migrant and English Learner Language Student Support

Migrant students and English language learners are provided additional support to meet the expectations of the program in which they are enrolled at specific sites as determined by need.

Enrollment and Registration

The summer calendar begins May 31 and ends August 4, Monday through Thursday, except the week of July 4 which will be Tuesday through Friday. Program locations are listed in this guide and may change based on enrollment and/or student needs. Eligible students will receive an SLP notification letter with specific program details including dates, times, and the assigned school.

Parents will be asked to confirm participation via an online registration link or by responding directly to the school program contacts. Upon confirmation of participation, the student will be enrolled in the program by the school. Questions about registration and transportation should be directed to the student's current school administrator.

Students with disabilities attending an ESE summer learning program will be assigned to a school by district staff based on the student's summer address. The high school attendance boundary is used to determine the summer site for middle and high school ESE students. Parents will receive a letter confirming the assigned site and program details.

Transportation Services

Transportation services are provided for eligible students enrolled in elementary, middle school, and ESE programs that are required for academic benchmarks and/or promotion.

Student Nutritional Services

Breakfast and lunch are provided for all students enrolled in a summer program.

Employment Application Information

SLP positions will be posted on the HCPS Staff Hub beginning April 20th. The posting will include dates, locations, responsibilities, certification requirements and pay rates.

To apply for a summer position, applicants should complete the 2022 SLP Application online form. The link to the form will be available on Staff Hub>District Offices>Human Capital>Summer Learning Program. The link may also be requested from a site administrator.

The principal, site administrator, or designee is responsible for hiring. The SLP administrator will communicate directly with applicants and complete personnel transactions for hired employees.

Elementary School Programs

Voluntary Prekindergarten Summer

Program Description	
The Voluntary Prekindergarten Program (VPK) is designed to equip children with skills essential for future kindergarten and school success. The VPK program provides 300 hours of quality instruction with an emphasis on literacy skills and developmentally appropriate curriculum delivered by a certified teacher.	
Eligibility Criteria	
Children who will be entering kindergarten in the fall of 2022 and have not previously used a VPK Certificate	
Dates and Hours	
Teacher Training: 6/2/2022	Teacher Preplanning: 6/3/2022
First Student Day: 6/6/2022	Last Student Day: 7/26/2022
Student Hours: 7:00 a.m.-5:30 p.m.	Teacher Hours: 6:45 a.m.-5:45 p.m.
Contact Information	
Sandra Show, Supervisor, VPK, sandra.show@hcps.net	

Third Grade Reading Camp

Program Description	
The Third Grade Reading Camp provides reading instruction and interventions aligned to the Florida State Standards for students who have not yet met the third grade promotion requirements. The program will feature a weekly theme to cultivate interest as students work toward meeting criteria for a good cause promotion.	
Assessment at the start of the program will be used to identify areas of strength and opportunities for growth. Students will be placed in small groups for individualized interventions with a focus on phonics, fluency, vocabulary and comprehension. Students will engage in collaborative and independent practice using high interest, quality text providing opportunities to transfer and apply reading behaviors and increase success in reading grade level, complex text. Curriculum resources include: authentic texts, books, Comprehension Toolkit, SIPP, LLI, Ready LAFS, MyOn.	
Eligibility Criteria	
Retained third grade students who did not meet promotion requirements	
Dates and Hours	
Teacher Training: Included with Preplanning Included in Preplanning	Teacher Preplanning: 6/7/2022-6/9/2022
First Student Day: 6/13/2022	Last Student Day: 7/14/2022
Student Hours: 8:00 a.m.-12:30 p.m.	Teacher Hours: 7:30 a.m.-1:00 p.m.

Angela Schroden, Supervisor, Literacy K-5, angela.schroden@hcps.net	

Summer Learning Academy K-5

Program Description	
<p>The K-5 Summer Learning Academy is designed to strengthen core content understanding and foundational skills through a hands-on interdisciplinary experience. Students will participate in small group instruction to increase literacy, math, science, and social studies content knowledge and skills. Weekly themes will provide context and relevance for the application of academic skills to solve real life problems. The STEM content will include science standards to engage students in science and engineering practices such as: asking questions; defining problems; developing models; carrying out investigations; using mathematics, information and computer technology. The Social Studies content will focus on key principles of history, geography, civics and character education, including literacy standards that engage students in text-based writing and research as well as collaborative discussions to encourage confidence and self-expression. Literacy will incorporate high quality text focused on phonics, fluency, vocabulary, comprehension and writing in support of content learning. The goal of this program is to promote enthusiasm for learning and equip students with essential skills for academic success.</p>	
Eligibility Criteria	
<p>Students in K-5 scoring at the Tier 3 range per the K-12 Comprehensive Reading Plan and students scoring at the Tier 2 range may be included based on enrollment</p>	
Dates and Hours	
Teacher Training: Included with Preplanning	Teacher Preplanning: 6/7/2022-6/9/2022

Middle School Programs

Algebra Booster

Program Description	
<p>This program is designed to prepare students to to retake the Algebra 1 EOC exam. Students will be enrolled in a self-paced, non-credit Edgenuity course and may access the course remotely or at open summer program sites. Access to the course will be available 24/7, and access to teachers will be during the regular program hours. Students must earn a Level 3 or higher on the Algebra 1 EOC to meet the algebra high school graduation requirement. The EOC retake will be administered at open sites on July 11th and 12th.</p> <p>Rising ninth grade students are are also eligible to attend the high school Algebra 1 FSA EOC Prep program.</p>	
Eligibility Criteria	
Middle school students who were enrolled in an Algebra 1 course and have not yet demonstrated proficiency	
Dates and Hours	
Teacher Training: Included with Preplanning	Teacher Preplanning: 6/1/2022, 6/8/2022, 6/9/2022
First Student Day: 6/13/2022	Last Student Day: 7/14/2022
Student Hours: 9:30 a.m.-1:30 p.m.	Teacher Hours: 9:30 a.m.-1:30 p.m.
Contact Information	
Catherine White, Supervisor, 6-8 Math, catherine.white@hcps.net	

Grade Enhancement

Program Description	
<p>This program provides an opportunity for students to enhance a failing quarter grade for a middle school course required for promotion. Students will be enrolled in a self-paced, Edgenuity course that corresponds to the failing grade. Upon successful completion of the course, students will earn a passing grade that will count toward the semester average.</p>	
Eligibility Criteria	
Students who need to enhance a quarter grade for a middle school core course that is required for promotion	
Dates and Hours	
Teacher Training: Included with Preplanning	Teacher Preplanning: 6/1/2022, 6/8/2022, 6/9/2022
First Student Day: 6/13/2022	Last Student Day: 7/14/2022
Student Hours: 9:30 a.m.-1:30 p.m.	Teacher Hours: 9:15 a.m.-1:45 p.m.

Mission: Tampa Bay

Program Description	
The world is filled with millions of questions that have yet to be answered. This camp, hosted at The Florida Aquarium and MOSI, is the first step to building and using a toolkit that will explore Earth's last frontier- the deep ocean. This five-day immersion program places STEMitists (girls, incoming 6th-8th grades) into teams where together they will plan, prepare and execute their own unique investigation to find out what is plaguing Tampa Bay. The camp will start and end on the water where they will use various scientific tools to help them on their journey to solving real world problems. Girls from around the district will be invited to participate in this unique camp.	
Eligibility Criteria	
Students who are entering 6th-8th grades in a one of HCPS public schools and are female will be given the opportunity to enroll in camp by invitation and teacher recommendation	
Dates and Hours	
Teacher Training: NA	Teacher Preplanning: NA

Reading Graduation Benchmark Prep

Program Description	
This eight-day, non-credit program is intended to prepare students to earn a concordant score on the SAT and/or ACT in order to satisfy the ELA/Reading benchmark for high school graduation. Each day is structured to provide an hour of teacher directed, skill-based instruction with a focus on test-taking strategies and an hour of computer-based, individualized instruction specific to the student's prior assessment performance. This just-in-time program is highly recommended for students scheduled to take the ACT on June 11, 2022 or July 16, 2022 and for students scheduled to take the August 2022 SAT.	
Eligibility Criteria	
Rising twelfth grade students who have not met the ELA/Reading graduation benchmark and who were enrolled in Hillsborough County Public Schools during the prior school year	
Dates and Hours	
Teacher Training: Included with Preplanning	Teacher Preplanning: 6/2/2022
First Student Day: 6/6/2022	Last Student Day: 6/16/2022
Student Hours: 8:30 a.m.-11:30 a.m.	Teacher Hours: 8:15 a.m.-11:45 a.m.
